Source: full Zoho dump in .zoho-dump — 21559 ledger postings, 2023-12-05 → 2026-08-13. Every journal, bill and expense was scanned.

Summary

	What	Count	Amount
A	Expense→balance-sheet reclassification journals	1	₹67,66,705
B	Postings building the two LLP investment accounts	160	₹15,87,89,491 Dr / ₹4,25,80,011 Cr
C	Capital spend entered through the Expense module	266	₹4,31,11,623
D	Capital-looking spend still sitting in expense accounts	15	₹5,41,174

There is exactly **one** journal in the whole file that moves cost out of the P&L onto the balance sheet — JE 125. The much larger population is section C: capital and investment spend that never touched an expense *account*, but was keyed through the Expense *module* (a cash/bank payment voucher) instead of a vendor bill.

A. Reclassification journals (expense credited → balance-sheet account debited)
